Class Rule Posters

Dear Teacher,

I created these Class Rules Poster Set to help students think positively about the behaviors that they should be exhibiting. I believe that taking the time to explain the “why” behind the rules, will have a significant impact on student behavior.

I hope that you'll find as much success with them as I do!

Enjoy!

# Teacher Tip

**Printing in Color:** To get this bright look and long lasting posters, have your posters printed professionally on cardstock at your local office supply store. Many personal printers do not have the ability to print bright colors.

**Printing in Black & White:** To get the best results, print on brightly colored cardstock.

**Displaying:** To get a “wow” look, I suggest posting these Class Rule Posters on a black bulletin board OR gluing them to black cardstock and then hanging them up on your classroom walls.

**Troubleshooting:** If you are having difficulty printing, try this: Open file>Click on File>Print>Advanced>Print as Image.

## LAMINATE FOR DURABILITY!

**\*\*Printed colors maybe different from the images you see. Each printer prints colors differently.**
