

Dear Parents and Guardians,

It's hard to believe that there are only a few weeks left of summer! As September and school are right around the corner, I wanted to introduce myself. My name is Anna Wiechmann and I am looking forward to being your child's English teacher.

I recently graduated from Bethany Lutheran College with licensure for Secondary Education in English Language Arts. This will be my first full year teaching and I truly am looking forward to both teaching the students and learning from them.

My favorite area in literature is contemporary American, but classic British literature certainly has a special place in my heart as well. I am so excited to be reading \_\_\_\_\_ by \_\_\_\_\_, \_\_\_\_\_ by \_\_\_\_\_, and \_\_\_\_\_ by \_\_\_\_\_ with the students this year. However, the class won't simply be about literature; we will be working on a broad range of skills relating to communication, including reading, writing, speaking, viewing and listening.

If you have any questions or concerns about your student or what we are working on in class, please do not hesitate to contact me. Also, feel free to check out our classroom website.

I look forward to meeting you in person and working with your student!
