

BETHANY

LUTHERAN COLLEGE

To Whom It May Concern:

I highly recommend Morgan Schwarz as a candidate for a teaching position at your school. As Professor of Education at Bethany Lutheran College I have had the pleasure of working with Morgan for the past year. She is a driven, highly organized teacher who has superior written and oral skills.

Morgan is proficient at creating lessons that incorporate research-based strategies. She is always very organized, from her lesson planning to her materials. Morgan can be counted on to consistently teach engaging lessons, using a variety of media and techniques.

In her education coursework, early field experiences, clinicals, and student teaching, Morgan has consistently been a model student in every aspect. She can be counted on to meet deadlines, even despite a heavy workload. She always allows herself time for questions and collaboration, never leaving things to the last minute. Morgan consistently produces a high quality product, always paying attention to small details. She is very careful and deliberate in both her written and oral tasks. In addition to her impressive academic skills, she is a natural leader and works well in collaborative settings. Based on Morgan's grades, attendance, class participation, punctuality, and teaching, I'd rate Morgan's academic performance in the education program as superior.

Morgan has a number of strengths to offer an employer. I recommend her to you without reservation. If you have any further questions with regard to her background or qualifications, please do not hesitate to contact me.

Sincerely,

Alanna Lienig
