Portfolio 8.1

1. After reading our last chapter, certain terms have come up that you may not know. Can you please tell me what the following terms mean:
A) Sharecropper, B)credit, C) nightmen
2. Where are the Logan's from? Who was the first to settle there and why? Who were the Wallaces? Explain the Wallace's background. Why were the Logan's supposed to stay away from the Wallace store?
3. What do you think would have happened if Mr. Morrison didn't stop Uncle Hammer? What would have happened if T.J. went to the police after the robbery instead of hiding?
4. How do T.J's actions shape who Stacey is? How does Papa not being around shape the Logan family?
5. When T.J. got Stacy in trouble by cheating, did Stacey do the right thing by not telling his mom? Explain your answer in no shorter than three sentences. Did the Logan children do the right thing by ignoring T.J. when he was acting up and also when he hung out with the white boys? Why or why not? To what extent did Mr. Morrison affect the situation in town regarding the night riders?

Reflection

While reflecting I noticed that I had many plots and character questions. I could use some variety and some questions regarding style and theme. I believe most of my questions promote higher level thinking.
