To Whom It May Concern:

I am writing a letter of recommendation for Mrs. Alannah Lendt. Mrs. Lendt was a student teacher in my multi-grade classroom focusing on teaching Math and Religion. It was apparent that she understood child development and was able to make the lessons accessible for all students. She used a variety of modalities in her lessons and had some unique ideas in presenting the information to the students. Mrs. Lendt was very open to trying new things.

Mrs. Lendt prepared thoroughly and sent me her lesson plans ahead of time. During the lesson, she was organized and had her materials needed close at hand. She used both formative and summative assessments to guide the pacing of her lessons. She became acquainted with the use of an on-line grade book. Mrs. Lendt had a quiet way of managing her classroom and had a good rapport with her students.

Mrs. Lendt also was very outgoing and friendly with the rest of the staff. She was very punctual and arrived at school early in the morning to make sure she was prepared for the day. She dressed and conducted herself in a very professional manner. I believe Mrs. Alannah Lendt would be an asset to any staff.

If you have any questions, I would be happy to visit with you. I can be contacted at 605-366-7013 after 3:00 p.m.

Sincerely,

Glenda J. Knuth
